A. During the School Year

Powerpacks unique approach to providing a nutritious weekend meals and food preparation skills aims to teach families how to better stretch their food dollars. Power Packs provide low cost recipes and ingredients for our participants to cook a meal under \$5.

Power Packs Project is a non-profit 501©(3) that aims to improve the mental and physical health of children by helping their parents provide nutritious meals over the weekends when school breakfast and lunch programs are unavailable to them.

B. 8 week summer Program

It's that time again! Our 8 week Summer Program begins on **Wednesday, June 22nd and runs through Wednesday, August 10th 2022**. All who wish to participate in the Summer Program must enroll through our website (or scan the QR code on the right), regardless of whether they participated in the normal School Year Program.
